

The Title of the event – it should tell you at a glance organisation/meeting type, location and time of day eg BNI Breakfast, Camberley. So, 'Build a Better Business and Raise Profits' could be a great headline in the event listing but it's not helpful as a title

Event Description

Business Biscotti Croydon at the Hilton

Headline – nice to have (but you need to know how to format this – we'll do it for you!)
Picture of exterior of venue so we know when we've arrived (also adds 'substance' to the event)

Business Biscotti is what networking is all about - meeting and forming business relationships with like minded people. Our philosophy is about building relationships. These regular meetings offer a relaxed way to meet other local businesses with a commitment to an annual membership.

Croydon Biscotti meets on the 3rd Monday of each month - we look forward to you there.

An active meet and greet to introduce you to other Biscotti members on the day, Croydon Biscotti is hosted by NiS Member and Business Biscotti Ambassador Gill Sepe.

BOOKING - No need to book - just show up at any time during the session, as there's no formality or rules...

COST: FREE to attend - just pay £3 for unlimited coffee and tea

MAP

Informative and appealing text about the speaker, the venue, the organisation – make them want to attend

3 Essentials at the end of every listing – COST (inclusive of booking fee, VAT etc); **BOOKING** details of how to book preferably with a link, or at least an email; and a link to a Google **MAP**

Our Networking in Surrey listings are the most comprehensive and networker-friendly available. They're very often more informative and helpful than the organiser's own website – please help us to maintain that standard by posting a full listing of your event!
