

New Primary School Provision at Redland Police Station Site

Community Involvement Meeting No 1
Thursday 12th January 2012, 2.30pm
to 3.30pm and 6.30pm to 7.30pm

Skanska are working with The Bristol Local Education Partnership and Bristol City Council to prepare design proposals which will support the expansion of St Johns CE VC Primary School on the Redlands Police Station site.

Over recent months we have worked closely with the school and local community to produce designs which meet their needs. As part of the next development stage we are preparing a planning application for submission to the local authority.

The meeting seeks to inform those previously involved and those new to the proposals how we have arrived at the current stage and the intentions moving forward to submission, approval and ultimately construction of the project.

The community meeting will be held at Redland Quaker Meeting House on 12th January 2012 at 2.30pm to 3.30pm and at 6.30pm to 7.30pm in the main hall.

We look forward to meeting you.
