

Innovative training courses for teachers of French language

Partner article: « Universités de Francophonie » brings you an ambitious training program marked by its pedagogical excellence, innovative approach and interculturalism. Meet Francophonie's team and trainers from all over the world... Come broaden your professional skills through conferences and lessons, share your experiences within the framework of workshops, and discover the exceptional atmosphere of the French Riviera.

Educational program for French language teachers in Nice on the French Riviera from the 2nd July to the 24th August 2018. Innovative program involving the participation of trainers and lecturers from all over the world.

What does Universités de Francophonie propose?

An *à la carte* educational training offer covering the entire spectrum of education on different issues such as examination, French for pre-schoolers, phonetics, grammar, interculturalism, cinema, theatre, creative writing, high technologies, linguistic improvement... It is up to you to choose the modules and workshops matching your needs.

Cross-cultural perspective on didactics and pedagogy of French involving French as well as foreign educators from 25 countries that put interculturalism and innovative approaches at the heart of education and teacher training.

Education and organization quality are assured by the Scientific Council consisting of notorious members of the FLE community in France and other countries.

French Riviera, an ideal open-air classroom... to study in an exceptional place whose colours inspired some of the greatest painters. Nice, Cannes, Monaco... Our guides will show you so many mythical sites during visits and excursions highlighted by cultural and culinarian discoveries in a relaxing atmosphere of cultural exchange.
