

Welcome to Bangkok, Thailand...

Super Cargo Pro Southeast Asia 2011!

(November 24th – 25th, 2011)

If you would like to meet new forwarders from the Southeast Asia region and around the world you should consider coming to Bangkok our latest event, the Super Cargo Pro Southeast Asia 2011!

This event will be a freight forwarders' networking meeting held in conjunction with the [6th Thai Ports & Shipping Conference & Exhibition](#), which is being organized by transport events of Malaysia. Both events will be held at the same venue and will share certain social functions though their basic business functions will be separate.

Who should come?

Independent freight forwarders and professional logistics companies from anywhere in the world who have a focus on the Asia Pacific ocean and / or airfreight forwarding markets.

Do I have to be a member?

You do not have to be a member of any particular network to sign up, though you should work for an independent company.

When and where?

Super Cargo Pro Southeast Asia 2011 will be held at the [Imperial Queen's Park Hotel](#) in Bangkok, Thailand, from November 24th - 25th, 2011, to which we have special rates.

Come to Thailand to make business!

The Super Cargo Pro event will feature presentations from logistics industry professionals and one-and-a-half days of one-on-one meetings between the freight forwarders who are participating.

This is an excellent opportunity for independent freight forwarders to build up their international cargo business.

All company representatives who attend this conference should be expected to return home with both business in hand and business in the pipeline.

We at Advanced International Networks will do our best to ensure this is exactly what happens there in Bangkok.
