Can't recommend Bravo Blinds enough! From fair pricing to fantastic service. We had a new tenant about to move in last minute, Shally put our order as priority (free of charge) and was so quick to reply to all queries. The fitter called and said he was available earlier than expected on the day, which was perfect for us! From start to finish the installation of the blinds in our rental property took only a week, the communication and installation was seamless and they look absolutely brilliant. Will 100% use again for our other properties and have already highly recommended Bravo Blinds to my friends/family.

The end result was better than we expected and we couldn't be happier with how our new curtains look ! Definitely recommend, they were 100% worth the wait, just wish we had done it all sooner.
