Coronavirus/COVID-19

Despite the uncertain situation due to COVID-19, The Swiss Federal Research Institute WSL is doing everything that the Scientific Conference and the Task Force Meeting of ICP Forests can take place as announced. The Swiss Federal Research Institute WSL hosting both events, is strictly following the Federal\(^1\) and Cantonal\(^2\) measures.

In case that the Scientific Conference and Task Force Meeting of ICP Forests will have to be cancelled due to i) governmental measures, ii) cancellations from a high number of participants, or iii) too many organizers being quarantined, participants will be notified by 1 June 2020 the latest.

In case of cancellation, the full amount of registration fees will be reimbursed by the conference organization.

Flight and hotel reservations comply with the hotel and air-line regulations. Individual cancellations are up to the participant and will not be reimbursed.

More information on the current COVID-19 situation in Switzerland can be found at the official webpage of the Federal Office of Public Health FOPH\(^3\).
