

Publicising your Business on the Alexandra Park Neighbours Website

To help with the running costs of our community website, we display two or three small ads for local businesses at the top of the right-hand column of our Home page (under the heading 'Advertisements'), at a charge of £20 per month. All sums received are used solely to cover these running costs. Please contact Admin by [email](#) or personal [message](#) if you would like to advertise on the site, and for further information.

We also list basic information (brief description and contact details) about local businesses for free on our [Hidden High Street](#) page. Please contact Indijana Harper by personal [message](#) or [email](#) if you would like your business included on this page.

Self-promotion of businesses on the Forum is not tolerated.
