**Human Trafficking is taking advantage of someone else, with someone having sex and another (pimp) benefits.**

**Prostitution is having sex, and the person is acting alone.**

**In 2016, Maryland ranked 13th in Human Trafficking. The I-95 corridor is where most of the crimes are committed. Howard County is seen as "safe", for the johns, and pimps.**

**A misdemeanor offense would be if someone is brought to a specific location.**

**A felony offense involves a minor, or if force is used.**

**The "target" is the female performing the sex act. She would be coerced to go through a process. First, she**

**would be groomed by the pimp, then isolated, transported, controlled, and finally trafficked.**
